Permit Information

Instructions

Please report the amount of waste received at the facility for the appropriate reporting period (October-December, January-March, April-June or July -September). Please note volume reports are due within 30 days after the end of each quarter. In accordance with ADEM Administrative Code r. 335-13-4-.22(2)(g) for MSW landfills or 335-13-4-.23(2)(f) for C/D and IND landfills, if the average daily volume, as specified in the facility permit, is exceeded for two or more consecutive quarters, by 20% or 100 tons/day, whichever is less, a permit modification would be required to adjust the permitted average daily volume.

When entering the daily volumes, please:

- Specify volume in the correct units.
- When entering volume amounts, report "0" when no waste was received on a specific day. Please note if no waste is received for consecutive quarters, the facility should initiate closure procedures in accordance with ADEM Administrative Code r. 335-13-4-.23(2)(f).
- Copies of manifests are NOT to be submitted with quarterly reports but should be maintained in the operating record.

Please refer to ADEM Admin. Code r. 335-13-4-.22(2)(g) or 335-13-4-.23(2)(f) for additional information.

Quarter 3 Volume Report

To complete the volume report, volume amounts may be inputted directly into the table OR the table may be downloaded as an EXCEL spreadsheet using the "Download" button table control at the top of the table. If the table is downloaded, all data entered should follow the prescribed format. If the format is not followed an error message will occur upon upload. In addition, all cells should have a number value inputted (if there is no volume to report, please input 0). Before inputting data, please confirm all dates for the reporting period are included in the prefilled data fields before you complete the table (i.e. the reporting period is correct and all the dates are populated). If you would like to input volume amounts on a daily basis, please click Save Progress at the top of the form after entering. Contact your compliance project manager if you have any questions or issues.
