RE: Warning Letter
NextEra Energy Pipeline Holdings (Lowman), Inc. – Lowman Compressor Station
Facility No. 101-0024

Dear Mr. Schedule:

NextEra Energy Pipeline Holdings (Lowman), Inc.'s (NextEra) Air Permit Nos. X001 and X002, Proviso No. 25(d) and (f) states, *"The permittee must perform the required notification, recordkeeping, and reporting requirements in accordance with 40 CFR §60.5420a, which include, but may not be limited to: Annual Reports as specified in 40 CFR §60.5420a(b)"* in accordance with ADEM Admin. Code r. 335-3-10-.02(91)(a).

Air Division personnel received the report via email on December 23, 2025, which is past the due date of December 22, 2025.

No later than **February 9, 2026**, the Air Division requests NextEra's responsible official provide a detailed written response to the following questions, as well as any additional information that may be pertinent in this matter.

1. Who is responsible for ensuring compliance with applicable State and federal air pollution control rules and regulations at this facility?
2. Why was the Annual Report not submitted to the Department in a timely manner?
3. What measures does NextEra plan to implement to ensure all future reports are submitted to the Air Division in a timely manner?

Please be advised this Warning Letter is intended to identify deficiencies with regard to applicable permitting and air pollution control program requirements. In the future, please take the necessary measures to ensure that future reports are submitted in a timely manner to ensure compliance with the permit and applicable regulatory requirements. Otherwise, future issues may result in further enforcement action.
